Summer Term

OUR LEARNING

This term's topic: **Ground-breaking Greeks**
We're travelling back in time to explore the amazing world of Ancient Greece! From mighty gods and mythical creatures to brilliant inventions, epic battles, and the first Olympic Games, children will discover how the Ancient Greeks shaped the world we live in today. It's a journey full of stories, ideas and excitement - history has never been so inspiring!

MATHS

Fractions, Angles, Geometry, Statistics and time.

Remember to keep working on KIRFs (Key Instant Recall Facts) that we send home.

ENGLISH

Our fiction books this term will be:
Wild Boy by Lloyd Jones
Wonder by R.J Palacio

We will be looking at first and third person narratives, which will include character and setting descriptions and direct speech. We will also be writing out own newspaper reports and looking at different types of poetry.

OTHER SUBJECTS

Science – Humans including animals
Art – Mixed media collage and Expression
D & T – Architecture
PE – Athletics, Games (OAA) and Kwik Cricket

Computing – Vector drawing and Quizzing
PSHE – Relationships and Changing Me
RE – Places of Worship

HOME LEARNING

Here are some ideas for Home learning projects:

- Greek Mythology Comic Strip
 - Create a comic strip retelling a famous Greek myth (e.g. Theseus and the Minotaur, Perseus and Medusa).
 - Use speech bubbles and illustrations.
 - Add a modern twist if you like—what if the Minotaur had a smartphone?
- Build a Greek Temple (STEM)
 - Use LEGO, junk modelling, Minecraft, or another creative medium to build a model of a Greek temple.
 - Research the Parthenon for inspiration.
 - Label the key architectural features.

Sports Day:
26th June
More info to follow

Our Assembly:
Friday 2nd
May
at 9am

Home learning due in
Friday 20th June.
