## Seals Class Spring Term

**Rocks, Relics and Rumbles:** Get ready to dig deep into our planet! In this project, kids explore Earth's amazing layers—from the sizzling core to the rocky crust—while discovering the exciting world of volcanoes, tectonic plates, and earthquakes!.

### HOME LEARNING PROJECT:

To jump-start our learning, we'd like to give you a Spring Term home project. Can you research an aspect of our topic? This could be a diorama, a song, a dance, a fact file, a model or any other way you would like to share what you have learnt. Please bring this in and be ready to present by: Friday 13<sup>th</sup> March

### HOME LEARNING - READING, SPELLINGS, TTROCKSTARS AND KIRFS

Spellings will be set every Friday on Dojo and they will be tested the following Friday. Reading Books will be sent home every night and the children will be expected to read for at least 15-20 minutes every day. When they finish a book, they will need to complete a quiz on that book in school the next morning. The children should also have their TT Rockstars Login in their yellow contact books as well as come home with a KIRF at the start of the term which focuses on one key skill!

### ENGLISH

Over the Spring term we are reading 'The Firework Makers Daughter' by Phillip Pullman (one of my favourites), Journey to the Centre of the Earth by Sarah Courtald and Stranded! A mostly True Story Book by Benedikdsson. In writing our outcomes are: a character description, instructions, a non-chronological report and a kennings poem

### MATHS

In Spring we are continuing our Maths learning by focusing on the following units: 'Column addition, Column Subtraction, 2,4 and 8 Times Tables and Unit Fractions'

We will also be focusing on our KIRFs which will come out at the start of both Term 3 and 4.

### OTHER SUBJECTS:

Science – Forces and Light, Art and Design – Ammonite and People and Places, Computing – Sequencing sounds and branching databases, RE – Why is the bible so important to Christians and Why are festivals important to the religious communities?, PE – Invasion Games (Netball), Dance, Tri-Golf and Fitness, Music – Latin Dance and March from nutcracker, French – Food and family and friends, PSHE – Dreams and Goals and Healthy Me

### USEFUL INFORMATION

Class Assembly – 9am on Friday 13<sup>th</sup> February  
Swimming – More information to come during Term 3 but Seals will be swimming every Monday afternoon in Term 4  
PE Days – Tuesday and Thursday
